Serrano Watson - Esq -

Dear Sir -

I thank very much for saving me the trouble about the paper but my commission from Mr. Brigham is only to get the samples and commercial titles and sizes and give the same to Messrs. Charles Brewer & Co. 27 Kilby St. Boston. They are to buy the paper, receive and ship the package to C. K. Bishop of Honolulu. May I then ask Mr. H. B. Seymour's address as well and hope you have not yet taken the extra

trouble of the ordering -

Yours very truly

Wm B. Clark
